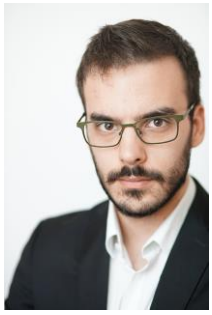
Luce Fontana – Master in Management – ASA (Associazione Svizzera d'Assicurazioni)

" I applied as a Student Angel to have a direct contact with my partner company and live a unique experience - not only to enrich my CV but also for my personal growth. "

Lucia Palomba – Bachelor in Economics – PwC

"I really liked the human and up-close approach that the professionals I was in contact with had with the students."



Luca Montalbano – Bachelor in Communication Sciences – Google

"I thought it could be a good opportunity to both engage with a company I'm interested in and represent USI in a national event as a Student Angel."

Lisa Andrews – Master in Public Management and Policy – Città di Lugano

"I decided to apply as a Student Angel in order to expand my network in the field of public management and in general in Ticino."
