Introduction

The Career and Alumni Service has been carrying out annually since 2002 a survey on USI graduates’ professional outcome. The aim is to gather insight on employment access and tailor the Service’s offer and activities accordingly.

The 2022 survey (the 19th carried out by the Service) involved 582 graduates five year after graduation of the Faculties of Architecture, Communication, Culture and Society, Economics and Informatics who graduated in 2017.
