Alumni Placement Survey 2018

The Careers and Alumni Service carries out annually, since 2002, a survey on the professional outcomes of USI graduates at 1 year and 5 years after graduation. The aim of the survey is to gather insight on employment access, and tailor the Service offer and activities accordingly. The 2018 survey (the 16th carried out by the Service) involved over 650 graduates of the 4 faculties (Architecture, Communication, Economics and Informatics) who finished in 2013 (at 5 years) and in 2017 (at 1 year), with a response rate of 50%.

Key Results
