Career Service

Connecting the academic and the working world

2019/20
The University’s Career Service aims to foster exchange and contacts with the business world, and to acquaint students with the working environment, thus ensuring a smoother and successful transition from the academic world to the workplace.

### Mission

The Service manages an on-line job databank for all USI students and alumni:
- Free of charge posting of job and internship adverts
- On-line access only for USI students and alumni
- Advertised via a weekly career newsletter

### Companies on campus

During the academic year, the Service invites HR professionals and line managers of different sectors for:
- Company presentations
- Visiting Employers Sessions
- Career Management Workshops

### Career Events

Each year, the Service organizes Career events involving a broad range of companies from different sectors:
- Long Night of Careers
- Career Management Workshops
- Career Days

### Internships

The Service facilitates contacts and assists students and companies in the carrying out of internships, in Switzerland or abroad:
- Internship Agreement
- Internship Accreditation
- Internship Grants

### Field Projects

The Field Project is a three months consultancy project conducted by a team of Master’s students, under the supervision of a professor. The company’s commitment is required for the:
- Kick-off Meeting
- Intermediary Meeting
- Final Meeting

### CV Book

A collection of individual student CVs is available online for companies recruiting at USI. CVs can be searched by:
- Degree
- Nationality
- Languages
- Career Interest

---

### Activities

USI's international standing emerges from the composition of its faculty and of its approximately 3,000 students: one third from Switzerland and the rest from more than 100 nations.

USI has more than 9000, reflecting USI's international character, both in terms of country of origin and of destination for employment. The USI Alumni community is a growing network.
