Giacomo Mazzoleni Ferracini – Master in European Studies in Investor Relations and Financial Communication – Bloomberg LP

“To broaden my network and gain exposure to various companies, I put myself in the game and became a Student Angel. The event offered a diverse range of companies, and the professionals were kind and helpful. Overall, it was a valuable experience.”

Coralie Schneiter – Bachelor in Lingua, letteratura e civiltà italiana – Città di Lugano

“As a Student Angel, I had a positive and constructive experience. I was able to gain valuable experience within USI and get to know some companies more closely. Additionally, I received helpful information on how to enter the working environment more effectively.”

Guido Junior Maria Pedone – Bachelor in Communication – Amministrazione Federale

“I decided to apply as a Student Angel to build a direct and positive relationship with the company I would like to work with in the future. In addition, it also gave me the opportunity to broaden my knowledge about the working methods and activities of the Federal Administration.”

Elena Terazzi – Master in European Studies in Investor Relations and Financial Communication – Bitcoin Suisse

“It was an inspiring experience: I met many professionals and heard stories of different backgrounds and realities from what I am used to.”

Shanti Cristina Cruciani – Master in Economia e Politiche Internazionali – Piaget

“I attended the Long Night of Careers to seek clarity on my future career path. It was a fantastic experience where I had the opportunity to meet new people at USI and connect with individuals who are already in the working world.”

John Sebin – Master of Science in Software and Data Engineering – WellID

“It was a satisfying experience, which allowed me to learn more about the work environment and find out what are the requirements for a job.”

Livia Miriam Somkuti – Master in Management – Cooperativa Migros Ticino

"I wanted to be able to have a leadership-type role and be able to help out with the evening. I also liked the idea of welcoming a company representative in the name of USI. I really enjoyed being able to meet some people in roles that I am potentially interested in having a career in".

Himanshu Bansal – Master of Science in Artificial Intelligence – adesso Schweiz

"I applied for many reasons and I wasn't disappointed: As a Student Angel, I networked with professionals, gained valuable skills, and had exclusive access to the event's activities. It's a great addition to my resume and the Long Night of Careers has been also a fun and rewarding experience."

Dafine Fetahu – Master in Marketing and Transformative Economy – Jabil Manufacturing Switzerland

"It seemed like a great opportunity to show initiative in regards to the companies that were present and especially for the companies that we became student angels for".

Luigi Pranzo Zaccaria – Master in Finance – UBS

"I applied for Student Angel because it seemed very interesting and prestigious; indeed I was not disappointed!"

Sofia D'Atri – Bachelor in Informatics – ESA

"It was a very nice and interesting experience, I met some company-representatives who were very engaged and stopped by to talk to us and tell us about their experiences".

Simone Toffoli – Master in Economia e Politiche Internazionali – SRI Management Consulting

"It was a unique experience; I was able to make direct contact with a company whose core business is of great interest to me. In addition, I was able to take part in several interviews effectively increasing my network of acquaintances in the Swiss territory."
