On-Line Job Bank

The Service manages an on-line job databank for all USI students and alumni:

- Free of charge posting of job and internship adverts
- On-line access only for USI students and alumni
- Advertised via a weekly career newsletter

Companies on campus

During the academic year, the Service invites HR professionals and line managers of different sectors for:

- Company presentations
- Visiting Employers Sessions
- Career Management Workshops

Career Events

Each year, the Service organizes Career events involving a broad range of companies from different sectors:

- Long Night of Careers
- Career Management Workshops
- Career Days

Internships

The Service facilitates contacts and assists students and companies in the carrying out of internships, in Switzerland or abroad:

- Internship Agreement
- Internship Accreditation
- Internship Grants

Field Projects

The Field Project is a three months consultancy project conducted by a team of Master's students, under the supervision of a professor. The company's commitment is required for the:
