Career Service

Connecting the academic and the working world

2018/19
The University’s Career Service aims to foster exchange and contacts with the business world, and to acquaint students with the working environment, thus ensuring a smoother and successful transition from the academic world to the workplace.

  - Internship Agreement  
  - Internship Accreditation  
  - Internship Grants |
| **Field Projects**  | The Field Project is a three months consultancy project conducted by a team of Master’s students, under the supervision of a professor. The company’s commitment is required for the:  
  - Kick-off Meeting  
  - Intermediary Meeting  
  - Final Meeting |
| **CV Book**         | A collection of individual student CVs is available on line for companies recruiting at USI. CV’s can be searched by:  
  - Degree  
  - Nationality  
  - Languages  
  - Career Interest |
USI Students

USI’s international standing emerges from the composition of its faculty and of its approximately 3,000 students: one third from Switzerland and the rest from more than 100 nations.

As of 2017/18:

**2822 students**

**By Faculty**

- Architecture: 29%
- Communication: 32%
- Economics: 27%
- Informatics: 12%
- Biomedical: 1%

**By Country of Origin**

- Ticino: 46%
- Switzerland (other Cantons): 19%
- Italy: 6%
- World (other Countries): 29%
USI has about 8,500 alumni, reflecting USI’s international character, both in terms of country of origin and of destination for employment. The USI Alumni community is a growing network.
