Job Offer, Facoltà di Teologia di Lugano, Istituto di Studi Filosofici

Position advertised: Student Assistant for Master of Arts in Philosophy (MAP)

FTL invites applications for student assistant positions (10h/week) from students enrolled in the Master of Arts in Philosophy (MAP).

Professional duties of the student assistants include:

- assistance in the administrative tasks of the direction of the master;
- assistance in the teaching duties of the direction and of the guest professors of the master;
- assistance in the research activities of the master.

Type of offer:

Occupation Rate: 25%
Start date: 01.10.2026
Type of contract: part-time
Duration: 31.03.2027 (6 months)
Place of work: Lugano, Ticino Svizzera

Requirements

Degree: Bachelor

Being enrolled in the Master of Arts in Philosophy

The contract will last until the end of March 2027. During the semester break, personal presence in Lugano might be, but will usually not be, required.

Assistantship is to commence at the beginning of October 2026 or as soon as possible thereafter.

How to apply:

Candidates should submit a letter of application, with the subject "Application: student assistant" including (in pdf format):

- 1) a brief cover letter expressing interest and fit of the candidate with the advertised job.
- 2) a CV.

Contact: Segreteria ISFI (isfi.ftl@usi.ch)

Deadline for applications is **August 31st, 2026**

Please be informed that:

To work in Switzerland, it is necessary to notify the start of employment to the competent authorities.

For non-EU students, this notification can be made only after six months of residence in Ticino, and work may begin only once the authorization has been granted.

Selected students are responsible for checking, based on their citizenship, whether Swiss health insurance is required for the employment. Any costs related to health insurance are borne by the student and do not lead to changes in the salary or to any additional reimbursement.

For more information on work permits and health insurance, please visit the following [USI page](#) or contact the Economato Office FTL (economato.ftl@usi.ch).
