FFL Master Scholarship (II Year)
2019 Regulations

Eligibility
This grant is aimed at students who have been regularly admitted to the second year of a two-year Master’s programme at USI. A one-off study grant worth CHF 4’000 is awarded to the best student in each two-year Master’s programme at USI who fulfils all the requirements.

Conditions of award
Winners are selected on grounds of merit (which are specified hereunder) by a Commission made up of the President of FLL and the General Secretary of USI. The Commission decides in November and the winners are informed by December. The Commission’s decision cannot be disputed. The grant is paid out in the form of a non-refundable study subsidy.

Selection criteria
In order to be able to benefit from this grant, candidates need to:

- have started the USI Master’s programme in the autumn semester 2018-19.
- have gained, by the end of the autumn examinations session (September 2019), at least 60 ECTS points from the first-year subjects of a Master’s degree programme run by USI. Those credits have to be earned wholly in a USI Master’s programme.
- have obtained the best average grade in their class and corresponding to at least 9/10. To calculate the average grade, the commission will take into account the best 60 credits earned during the USI Master’s programme.

This scholarship cannot be cumulated with other grants awarded through the Università della Svizzera italiana.
