Tuition fees

Tuition fees are waived at USI Università della Svizzera italiana where a reciprocal exchange agreement has been signed, and students are formally nominated by their home university.

Welcome meeting

You will be invited to an orientation meeting where you will receive a welcome package containing your personal USI badge and account, the necessary documents for registration at Migration Office and Punto Città, information about the health insurance as well as general information about Lugano and USI. We strongly recommend to be present on that day. Detailed information will be sent after the application deadline.

Expected arrival date

Beginning of the semester. Upon arrival, please report to the International Relations Service (office number 202) in the main building.

Reports of former exchange students

You are invited to read the experience reports written by former exchange students. These reports can give you precious information on courses, as well as on cultural and social aspects of USI, on the residence and on Lugano:

www.usi.ch/en/relint-exclusive-access-area

The reports can only be accessed with the USI login and password.

Registration procedure

The registration is online at the following link: <https://exchangeprogrammes.lu.usi.ch/selection.aspx>. The login and the password will be sent to you after the nomination. You will be asked to upload a passport picture as part of the online registration process, so we suggest to prepare an electronic version of it in advance (allowed files: .jpg, .jpeg, .gif, .png; size < 0.5MB). Please note that only passport-style pictures can be accepted, taken in full face view directly facing the camera.

To finalize your application you are required to send the following documents to the International Relations Service by May 15th 2018 (Autumn Semester/Whole academic year) or by November 1st 2018 (Spring Semester):

1. The signed print-out of the Application Form, that will be automatically generated after the online registration and that you find attached to the confirmation;
2. A certificate of registration from your University valid for the exchange;
3. Most recent Transcript of records;
4. Copy of Language Certificate and signature from your home university that guarantees that you are sufficiently competent in the English language and/ or the Italian language to study at Università della Svizzera italiana (for students interested in courses held in Eng-

lish and/or in Italian);

5. Motivation letter in Italian or English;
6. A photocopy of the ID or of the relevant pages of the passport;
7. A photocopy of the Health Insurance card;
8. Two passport-sized photographs.

We only accept original documents approved and signed by the home representatives and sent by ordinary mail. You will receive a written confirmation (together with other relevant information) as soon as your personal data has been processed.

Health insurance

All Swiss residents, including foreign students holding a residence permit valid for more than three months, are obliged by law to be insured with a recognised Swiss health insurance company, providing them with basic cover when in need of medical care in case of illness or accident. Foreign students living in Switzerland may be exempted from the obligation of subscribing an insurance policy if they can prove they are covered by an equivalent insurance in their home country. To take advantage of this exemption, you must make an official request using the appropriate form.

- Students coming from EU / EFTA countries who have a Health Insurance Card:
Form 6.1 for EU/EFTA students
Remember to bring your Health Insurance Card. The International Relations Service staff will assist you with the procedure on your arrival
- Students with private insurance in Germany who can prove that it complies with Swiss standards, i.e. that it is unlimited:
Form 6.2 for students with private insurance in Germany
- Students from extra-EU / EFTA countries who can prove that such insurance complies with Swiss standards, i.e. that it is unlimited:
Form 6.3 for extra-EU/EFTA students
The forms must be filled out and signed by your insurer and sent back to: Istituto delle assicurazioni sociali, Ufficio dell'assicurazione malattia, Via C. Ghiringhelli 15a, 6501 Bellinzona, Switzerland.

The International Relations Service staff will assist you with the procedure. Upon arrival in Switzerland, you must be able to certify that you have successfully completed this procedure; otherwise, you will have to purchase an insurance policy in Switzerland. In order to provide its students with an appropriate coverage at a more affordable price, the Università della Svizzera italiana has agreed with Groupe Mutuel an extremely convenient collective insurance policy named "Academic Care" (please consult: www.desk.usi.ch/en/academic-care)

Living costs

The minimum cost of living for a student is approximately CHF 1100/month (EUR 960).

Your academic programme

As guest/exchange student you are free to attend a variety of classes, both at undergraduate and graduate levels. Although you are enrolled in a faculty you are entitled to attend classes and sit examinations in the other faculties too. Be aware that overlapping of classes and of final exams is highly possible in case you choose courses offered by different faculties and/or at different levels. You will need, first and foremost, to make sure that your home tutor agrees with your study plan.

Course registration

Some courses require advanced registration: Students interested in taking courses in the "Master in International Tourism" must bear in mind that they are welcomed to take this Master's courses on the condition that the timetable allows them to attend all lectures. Students interested in taking courses held in the Masters in "Management", "Master in Marketing and Transformative Economy" and "Corporate Communication" have to contact Chiara Kruesi via e-mail (chiara.kruesi@usi.ch) at least two weeks before the semester starts.

No advanced registration is necessary for the courses held in the other masters or in the bachelor programme. Exchange students must register in the mailing lists at <http://applicationcourses.lu.usi.ch/> (deadline: 1 October for Autumn Semester; 1 March for Spring Semester) and in the course platform www.icorsi.ch once arrived at USI.

Approval of the study plan

The study plan or outline must be approved by the relevant Faculty or Department of the home institution. All students have to make sure that any examination papers taken during the exchange term will be accepted as fulfilling the requirements of the original degree programme.

Switzerland and canton ticino

Despite its small population (8 million people), Switzerland has four national languages (German, French, Italian and Romansch). The part of the Swiss Confederation which lies entirely south of the Alps is known as "Italian" Switzerland. It comprises Canton Ticino and Grigioni italiano. Italian is the official language for this region.
