- Some courses may be targeted at students of a particular department or faculty only.  
- Courses may have prerequisites which participants must fulfil.  
**Restricted areas of study:**  
- English studies at the Department of Language and Communication Studies: open to students coming within their own Erasmus+ agreements only, C1 level in English required  
- Restricted participation if not accepted to the department/faculty in question: Communication (apart from Intercultural Communication Minor), Business and Economics, Sport and Health Sciences and Teacher Education. However, some courses offered by these departments/faculties may be open to students from other departments/faculties. Soihtu Kortepohja within the quota are required to sign a tenancy agreement for a fixed term. The fixed-term tenancy agreement cannot be terminated within the tenancy period.

### Availability of the apartments
Student housing cannot be guaranteed to all applicants. Students coming for the spring semester have better chances of getting a room from KOAS or Soihtu.
