

Connection to the USI-Guest WiFi

Introduction

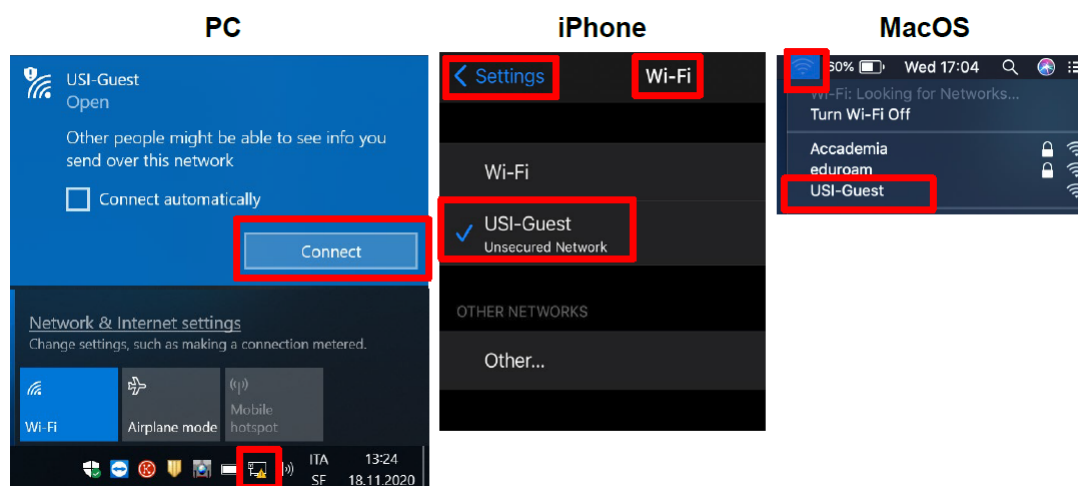

This guide shows the procedure for requesting access data to the USI-Guest wireless network on USI campuses.

Minimum requirements

- PC / Mac / iPhone

Instruction

1. Search the USI-Guest WiFi connection:

2. The following window will appear, where you can enter your login details if you have already received them or register as a new one. Note: if you have USI credentials, you can use those.

Username:

Password: [Reset Password](#)

[Sign On](#)

[Or register for guest access](#)

3. Enter your data, the mandatory fields are your mobile number and your location (Bellinzona, Lugano or Mendrisio) and press "Register".

First name

Last name

Email address

Phone number*

Company

Location*

Bellinzona

Bellinzona
Lugano
Mendrisio

4. You will receive an SMS or an email on your smartphone with your login details, which will be entered in the respective fields.

Username:

Password: [Reset Password](#)

Sign On

[Or register for guest access](#)

5. Accept the rules.

Please accept the policy: You are responsible for maintaining the confidentiality of the password and all activities that occur under your username and password. USI offers the Service for activities such as the active use of e-mail, instant messaging, browsing the World Wide Web and accessing corporate intranets. High volume data transfers, especially sustained high volume data transfers, are not permitted. Hosting a web server or any other server by use of our Service is prohibited. Trying to access someone else's account, sending unsolicited bulk e-mail, collection of other people's personal data without their knowledge and interference with other network users are all prohibited. USI reserves the right to suspend the Service if USI reasonably believes that your use of the Service is unreasonably excessive or you are using the Service for criminal or illegal activities. You do not have the right to resell this Service to a third party. USI reserves the right to revise, amend or modify these Terms & Conditions, our other policies and agreements, and aspects of the Service itself. Notice of any revision, amendment, or modification will be posted on Cisco System's website and will be effective as to existing users 30 days after posting.

Accept **Decline**

6. Press "Continue".

Welcome Message
Click **Continue** to connect to the network.
You're very close to gaining network access.

Continue

7. If the USI homepage is displayed, the login was successful.
