LONG NIGHT OF CAREERS

14 NOVEMBER 2019, FROM 18.00
USI, LUGANO CAMPUS

PROGRAMME

www.usi.ch/lnoc
www.lnoc.ch
www.facebook.com/LNoCareer

The Long Night of Careers is presented jointly by the Career Services of Swiss universities. In 2019 it is being held at USI and simultaneously in 10 universities:

- University of Zurich,
- University of Applied Sciences St.Gallen (FHS),
- Hochschule Luzern,
- ZHAW Zurich University of Applied Sciences,
- University of Geneva,
- Scuola universitaria professionale della Svizzera italiana (SUPSI),
- Università della Svizzera italiana (USI),
- University of Applied Sciences HTW Chur,
- HES-SO Valais-Wallis,
- Fachhochschule Nordwestschweiz.

We would like to inform you that during the event there will be audio recordings and video shoots. The Università della Svizzera italiana may use this material for future reference.

Dear students, PhD candidates and graduates,

The Career Service is pleased to invite you to the 5th Long Night of Careers at USI. An innovative platform for dialogue between the academic world and the workplace that is offered simultaneously by 10 participating institutions throughout Switzerland.

The evening starts with the Welcome Greetings of the Rector, Prof. Boas Erez and Marco Borradori, Major of the Lugano City and the Opening Panel “Making the best out of graduates in STEM and Humanities. The viewpoint of companies”, moderated by Prof. Lorenzo Cantoni, Pro-Rector for Education and Students’ Experience, USI.

The event continues with a Job Gallery Walk, CV Checks, Workshops, Round Tables, Mock Interviews, Contests, but also Interactive Games, Food Tasting and other events to address the important topic of professional careers in a new, direct and informal fashion.

OPENING PANEL

🕒 18.00–19.00

📍 Floor 2
Room A21

🗣️ In Italian
and English

OPENING PANEL MAKING THE BEST OUT OF GRADUATES IN STEM AND HUMANITIES. THE VIEWPOINT OF COMPANIES.

Welcome and Opening Remarks

Prof. Boas Erez, Rector, USI

Marco Borradori, Major, Città di Lugano

Moderator

Prof. Lorenzo Cantoni, Pro-Rector, USI

Marzio Grassi, Regional Director Ticino, Credit Suisse

Luciano Monga, Audit Partner, Deloitte

Vittoria Gozzi, CEO Wylab, Duferco Group

Michel Gagnon, Director, LAC

Stefano Santinelli, CEO of localsearch and deputy of the Swisscom CEO for Ticino, localsearch and Swisscom

Finding ways to combine STEM and the humanities will be crucial to respond to the global challenges of the 21st century. We will need holistic thinkers with a humanistic background as well as experts with vertical technical knowledge: how are companies organized and how will they cope to respond to these new needs? What will the new professional profiles be and what skills should they have?
